May 3, 2014

Dear Friends of Life,

For many years it has been my privilege to help support, encourage, and promote the work that Russ and Jill Amerling do with Choose Life America, Inc. The reason is simple: I am excited by this work, because it hits the nail on the head regarding what has to be done in the pro-life movement.

Supporters of abortion can win only if we are silent, and the abortion issue is ignored. But if and when we speak up for the unborn, and people are brought face to face with this issue, we win, and so do the children. The Choose Life license plates provide countless people with a simple way to speak up twenty-four hours a day.

And while doing so, of course, these plates raise money to save the children in the womb and their moms and dads from the devastation of abortion. Some 20 million dollars have been raised so far in this effort, in the places where the plates have been approved. This money serves and saves countless lives with alternatives to abortion.

Together, then, let us all renew our enthusiastic support and participation in the mission of Choose Life America. There is no more important and urgent cause than that of protecting the unborn, and I am delighted to engage in this battle alongside all of you!

Sincerely,

Fr. Frank Pavone  
National Director
